

MEMORANDUM FOR:

To: Henry S. Rowen

From:

Subject: National Research Council

I remain very interested in this project on competition in advanced technology industries, but want to remind you that I'll be in Asia when the conference is held - in the unlikely event you were able to get permission for me to monitor some of their sessions around December 1st.

MEMORANDUM FOR: Director of Central Intelligence  
FROM : Chairman, National Intelligence Council  
SUBJECT : Advanced Technology Competition

1. The attached item describes a new project of the National Research Council on competition in advanced technology industries including microelectronics, telecommunications, information services, robotics, and biotechnology. This project was approved by the Governing Board of the Council last Saturday.

STAT 2. At the meeting I spoke to [ ] Chairman of the MIT Corporation and Chairman of the Panel on this project, about our interest in this subject and urged him to meet with some of us at an early point. He responded enthusiastically. When he visits I will try to arrange for you to meet with him.
